<p data-bbox="204 497 778 958">Hello everyone, my name is Jörn Schattenberg and I'm the director of the Metabolic Liver Research Center at the University Medical Center in Mainz, Germany. It is my pleasure to invite you to participate and join me for the first Global Liver Health forum and I will be speaking on the relevance of metabolic comorbidities in non-alcoholic fatty liver disease and more precisely how NAFLD and hepatic steatosis does contribute to these metabolic comorbidities. So, come and join me for this exciting session. I'm looking forward to see you there. Thank you.</p>	<p data-bbox="849 497 1359 524">Prof Schattenberg appears in his office</p>
